Using this Interview Guide

The interview guide is an aid to job seekers to assess their chance for success in landing a job in the hospitality industry. The guide is divided into the following two parts:

Part 1 is made up of the mandatory requirements of the job. If the applicant is unable to fulfill any of these requirements, he or she will likely not be able to advance to the next stages of the interview process.

Part 2 consists of questions that are likely to be asked at an actual face-to-face interview with the employer. For certain questions, we have included employer expectations.

Caution

Job requirements will vary between employers and industry sectors. This guide is meant only as a tool to help an applicant prepare for an interview and as an *indication* of the likely success of obtaining the position.
